## MEMORANDUM FOR THE RECORD

FROM: [REDACTED]

25X1

Deputy Director, Legislation Division/OLL

Subject: Government Owned or Leased Vehicles Used for  
Home-to-Work Transportation: GAO Request for  
Information

1. The GAO seeks an accounting of all government owned or leased vehicles used for home-to-work transportation on a regular basis. [REDACTED] Chief, Headquarters Operations, Maintenance and Engineering Division, Office of Logistics conducted an inventory of all such vehicles. He has determined that two vehicles fall into the above described category. One vehicle is provided to the DCI and another to the DDCI.

25X1

25X1

2. All other government vehicles owned or leased by the Agency are governed by regulations [REDACTED] [REDACTED] declaring that government vehicles are to be used for "official purposes" only. Official purpose does not include home-to-work transportation.
